INFLUENZA VACCINATION SCREENING QUESTIONS (ANSWER ALL QUESTIONS)

1.	Has your child ever had a serious reaction to eggs **OR** a serious reaction to a previous flu vaccine that caused any of the following: wheezing, trouble breathing, hives and itching all over the body, swelling in the mouth or throat, very low blood pressure or shock?	NO □ YES □
2.	Has your child ever had Guillain-Barré Syndrome (a rare type of temporary severe muscle weakness and paralysis)?	NO □ YES □

If you answered YES to either question 1 or 2, your child cannot receive the 2023-2024 seasonal influenza vaccine at school. Please contact your child's primary healthcare provider.

3.	Has your child received Varicella (chickenpox), Measles, Mumps and/or Rubella within the past 30 days? Vaccine Name: _____ Date given: _____	NO □ YES □
4.	Does your child have any of the following: asthma, diabetes (or other type of metabolic disease), or disease of the lungs, heart, kidney, liver, nerves, or blood (including anemia); or have a cochlear implant of spinal fluid leak, or no spleen?	NO □ YES □
5.	Does your child take aspirin or a medication that contains aspirin every day?	NO □ YES □
6.	Does your child have a weak immune system? (For example, treatment for cancer or HIV/AIDS, or taking medications such as steroids that may cause the immune system to be weak)	NO □ YES □
7.	Is your child pregnant? (Please discuss this question with your child for verification)	NO □ YES □
8.	Does your child have close contact with a person who needs care in a protected environment?	NO □ YES □
9.	If your child is age 2-4 years of age, has your child had a wheezing episode in the past 12 months?	NO □ YES □
10.	Did your child recently receive any of the following antivirals in the specified time frames below: • oseltamivir or zanamivir in the last 48 hours • peramivir in the last 5 days • baloxavir in the last 17 days	NO □ YES □

If you answered YES to *any* questions 3-10, your child cannot receive the nasal spray flu vaccine. He/she will receive the flu shot.

If you answered NO to questions 3-10, please select the preferred vaccine for your child:
The FLU SHOT will be given, if no selection is made below

□ Flu Shot (Inactivated Influenza Vaccine Quadrivalent {IIV4})
□ Nose/Nasal Spray (Live Attenuated Influenza Vaccine {LAIV})

Please answer if your child is under 9 years old:
Counting all previous flu vaccine doses up until July 1, 2023, has your child received a total of 2 doses? If no or unsure, he/she may need 2 doses of flu vaccine this season.

NO □ YES □ UNSURE □

YOU MUST SIGN ON NEXT PAGE FOR CONSENT TO BE ACCEPTED

AUTHORIZATION AND CONSENT

By signing below, I consent to the use and disclosure of my child's personal health information for public health purposes and program evaluation. DPH's Privacy Notice can be found at the following link: http://www.scdhec.gov/sites/default/files/Library/ML-025046.pdf or a copy of the notice will be provided upon request.

If applicable, by signing below, I request that payment of Medicaid benefits be made on my behalf to DPH for any services provided to my child. I give DPH permission to exchange my child's medical or other confidential information as necessary to the Centers for Medicare and Medicaid Services (CMS), its agents, or other agents needed to determine benefits related to services provided. I agree to participate in treatment plans and to assignment of Medicaid benefits to DPH for services rendered.

Vaccine Authorization: I voluntarily request DPH to provide seasonal influenza vaccine for my child named above, and consent for my child to receive the seasonal influenza vaccine at school, to be administered by DPH staff. I have read and answered the questions on the previous page carefully and accurately, and I understand that incorrect information could cause serious risks to my child. I understand that the vaccine will be given according to Advisory Committee on Immunization Practices (ACIP) recommendations and the answers I provided to the screening questions 1-10 on the previous page. I have read the Vaccine Information Statement for the flu vaccines: Flu Shot: https://www.cdc.gov/vaccines/hcp/vis/vis-statements/flu.pdf or Nasal Spray: https://www.cdc.gov/vaccines/hcp/vis/vis-statements/flulive.pdf. I have had an opportunity to ask questions about the vaccine. I understand the risks and benefits of the vaccine. I consent to my child's blood testing by DPH should there be an occupational exposure during the administration of the influenza vaccine and DPH deems such testing necessary.

I understand that immunization information about my child will be reported to SC Immunization Registry for public health purposes. I understand this consent is valid for sixty (60) days from the date of my signature. I also understand it is my responsibility to notify the school nurse in the event I change my mind after giving consent or if my child receives the flu vaccine prior to the school's event or if there are any changes to my child's health, resulting in a change to any of my responses to the questionnaire. I have legal authority, based on my relationship to the individual indicated above, to consent to this vaccine administration.

PARENT CONSENT FOR SEASONAL INFLUENZA VACCINATION

Instructions for Completing 3225-ENG-DPH

Purpose:
The purpose of the Parent Consent for Seasonal Influenza Vaccination is to provide a form which captures student information, insurance information, influenza vaccination screening questions and authorization and consent along with clinic documentation.

Instructions:

Item by Item Instructions:

1. Parent will complete front of form which includes student information, insurance information, influenza vaccination screening questions and authorization and consent.
2. DPH staff will make every effort to ensure that that the parent has completed the front of the form. If incomplete, public health nurse will contact parent and document additional information in the Notes section on the back of the form.
3. Public health nurse will access pre-clinic screening information and document appropriate eligibility and second dose, if needed.
4. First and second dose vaccine documentation will be completed after the public health nurse administers vaccine as follows:
    a. **Vaccine Formulation:** Check the appropriate box based on vaccine administered
        i. **IIV4 –** Quadrivalent inactivated influenza vaccine
        ii. LAIV - Live Attenuated Influenza Vaccine (nasal spray)
    b. **Eligibility Type:** check the appropriate box based on patient's eligibility
        i. VFC – Medicaid
        ii. VFC – American Indian/Alaska Native
        iii. VFC – Uninsured (No Insurance)
        iv. State – Underinsured
        v. State – Insured
    c. **MFR/LOT:** enter manufacturer and lot number for vaccine administered (use of label is acceptable)
    d. **Site/Route:** Check the appropriate box
        i. **LD –** Left deltoid
        ii. **RD –** Right deltoid
        iii. **Other –** Site other than those listed above
    e. **Nurse Signature:** Nurse administering vaccine provides full legal signature
    f. **Date:** Enter two digit month and day, as well as four digit year that vaccine was administered
    g. **ECode:** Enter 4-digit ecode.
    h. **County Code:** Enter 2-digit county code.
    i. **Patient/Student's Assigned Classroom Teacher Signature and Date:** Classroom teacher who can identify student provides full legal signature and enters current date.
    j. **"What to KnowAfter…":** Check box if "What to Know After…" (010745-ENG-CR) is given to student.
    k. **"Unable to Vaccinate due to…":** Check box if unable to vaccinate and provide reason in blank. Student should be given form 010743-ENG-CR.

Office Mechanics and Filing:

Form will be batch filed, according to agency medical records policy, in county where vaccine was administered.
